## Fees Protection Policy

Rotorua English Language Academy provides its students with protection against the loss of their fees in the event of insolvency, closure, voluntary withdrawal of a course by RELA or withdrawal of school accreditation.

The Academy protects student fees by depositing them in the Trust Account managed by the Public Trust. This is a New Zealand Government guaranteed Student Fee Trust Account, with progressive withdrawal of fees by the school during the student's course. On arrival in New Zealand, the student is asked to sign an application for the operation of his or her Student Fee Trust Account.
